Important Questions	Answers	Why This Matters:
<p><b>What is the overall deductible?</b></p>	<p><u>Network</u>: \$1,750 individual/\$3,500 family; <u>Out-of-Network</u>: \$3,500 individual/ \$7,000 family. The following items don't apply to the <u>deductible</u>: <u>Premiums</u>, charges for <u>balance billing</u>, healthcare this <u>plan</u> does not cover, <u>copayments</u>, pharmacy <u>coinsurance</u>, <u>3<sup>rd</sup> party prescription drug</u> assistance, <u>out-of-network preventive care</u>, and <u>coinsurance</u> for COE hip/knee replacement without an exception.</p>	<p>Generally, you must pay all costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay. The employer allocation to the HRA is \$250/individual or \$500/family per year. If you have HRA funds from a prior year that roll over, the rollover combined with the new year allocation cannot exceed the <u>network deductible</u>; your rollover will be reduced by the amount exceeding the <u>network deductible</u>.</p>
<p><b>Are there services covered before you meet your deductible?</b></p>	<p>Yes. <u>Deductible</u> is waived for eligible <u>preventive care</u>, virtual care through Doctor On Demand and other AMP virtual care <u>network providers</u>, eligible <u>prescription drugs</u>, and COE programs (except weight loss surgery and family building).</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at: <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a></p>
<p><b>Are there other deductibles for specific services?</b></p>	<p>No.</p>	<p>You don't have to meet <u>deductibles</u> for specific services.</p>
<p><b>What is the out-of-pocket limit for this plan?</b></p>	<p><u>Network</u>: \$6,850 individual/\$13,700 family; <u>Out-of-Network</u>: Unlimited.</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they must meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>

Important Questions	Answers	Why This Matters:
What is not included in the out-of-pocket limit?	Premiums; <u>balance-billing charges</u> ; health care this <u>plan</u> doesn't cover; penalties for failure to obtain <u>preauthorization</u> ; out-of- <u>network coinsurance</u> ; out-of- <u>network preventive care</u> ; hip/knee replacement <u>coinsurance</u> outside COE without a network exception; <u>coinsurance</u> when an available AMP alternate <u>network provider</u> for imaging services is used without a network exception, <u>coinsurance</u> when an available Blue Select <u>network provider</u> is not used; and 3 <sup>rd</sup> party <u>prescription drug assistance</u> .	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See <a href="http://www.IncludedHealth.com/Walmart">www.IncludedHealth.com/Walmart</a> or call 1-800-941-1384 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay the least if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies, unless otherwise noted

As an associate, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury. Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare options.

The SBC is available on [One.Walmart.com/SBC](https://www.walmart.com/SBC). A paper copy is also available, free of charge, by calling **1-800-421-1362**.

For assistance, call the number on the back of your plan ID card.
